## Terms & Conditions

By submitting a written share to the newsletter committee, you are agreeing to the following terms & conditions.

Due to reasons of space or number of contributions, some written shares may not be selected for immediate publication but we may store them for use in future UA publications.

Contributions that are selected for publication will appear in one of the quarterly newsletters 'Into Prosperity' and uploaded to the <u>www.underearnersanonymous.co.uk</u> website.

Each newsletter will remain a downloadable publication for the foreseeable future. Contributors accept that each newsletter may be downloaded, printed and used as a resource by UA meetings/members.

The newsletter committee will preserve the unique voice and message of each written share but will edit on these grounds:

- 1) the contribution exceeds the space available
- 2) to avoid repetition
- 3) to correct spelling
- 4) to remove or generically replace names of outside organisations and individuals

The average required word count required is 600 words (400 minimum, 800 maximum). To avoid editing for length, contributors are asked to keep within the limits.

No correspondence will be entered into about any editorial decisions.

Members should sign their share either as first name only; first name and surname initial; initial; initial; Anonymous. The newsletter will publish the signature as it is received.

Contributions are understood to be voluntary and as such no payment will be made. This also applies to the use of contributions in future UA-UK literature publications which may be sold on behalf of the fellowship. Once received, contributions will remain the property of UA-UK.

## Prayer for a Trusted Servant

"Higher Power, We ask for your guidance today, As we carry out this work in service to the Fellowship. Relieve us of the burdens of our egos and perfectionism. Remind us to place principles before personalities. Grant us the grace of humour and humility. Give us faith to trust in You and the group conscience. Grant us the serenity to accept the things we cannot change, Courage to change the things we can, And the wisdom to know the difference."
